

Annexure-III

1.3 Analysis of Feedback- Parents

Based on the feedback received from the questionnaire distributed by the IQAC to parents, the following analysis can be inferred:

1. Parents chose to admit their children in Kohima College, Kohima, for a number of positive points:

- a) Qualified and experienced faculty.
- b) The oldest college and a college of repute.
- c) Homely, peaceful and good learning environment.
- d) Minimal fees.
- e) Good infrastructure and better facilities than most private colleges in the district.

2. Suggestions proposed:

- a) Improve transportation facility for students by procuring more buses.
- b) Improve library facility in terms of books, and to take steps to provide space to accommodate bigger number of students.
- c) To improve on games and sports facilities.
- d) To introduce more subjects other than the existing ones.
- e) To furnish quarterly report of attendance/performance of children/wards.
- f) To organize parent/teacher meetings annually.
- g) To bring out a 'Who is Who' directory of administration and faculty members of the college.
